

# 2008 "E" Book Project Prize Program

The "E" Book Project prize program is an optional, free service offered to provide sales incentives and rewards for participating schools and youth programs. Prizes are cumulative and inclusive. For example, any child who sold 10 books receives ALL of the 1, 5, and 10 book prize offerings, but one time only. Asterisks below identify prizes that parents and teachers are eligible to earn. Prize supplies are limited and are distributed on a first come, first serve basis. Prizes must be used as the program is designed. If you wish to use prizes in a different manner, please consult with Eduproject first. Abuse of the "E" Book Prize Program may lead to exclusion from future prize programs. Asterisks below signify prizes that parents and teachers are eligible to earn.
