

Dear Fundraising Coordinator:

Have you considered making the “E” Book a part of your fall fundraising? The “E” Book is a proven way for schools, parent groups, teachers, sports teams, and youth programs to raise money quickly and effectively. It just might be the time for you to give it a try. Here’s why...

The “E” Book is a no-brainer because there’s **no risk, no minimum order**, and people just love to **save money**. Best of all, you’ll **keep \$6 for each \$10 book you sell...60% profit!** The “E” Book is a wise fundraising choice in this tough economy.

Colorado Education Project (dba Eduproject) produces the entire “E” Book Project with a quality over quantity approach. Simply put, we combine a consumer-friendly product with the necessary tools for you to have a very profitable fundraiser. In fact, over the last ten years the “E” Book has raised more than 3.2 million dollars for local education.

Join the long list of schools and youth programs that benefit from the “E” Book Project year after year. To our knowledge, no other fundraiser will provide you with a **60% profit** for each book you sell. You’ve got nothing to lose and lots of funding to gain.

The 2010-11 “E” Book is scheduled for release in early August 2010, so make sure to get your order in A.S.A.P. because once they’re gone...they’re gone!

Sincerely,

Your Friends at Eduproject
